

1st Edenbridge Cub Pack Annual report 2008

We have been successful in keeping our numbers up this year and currently have 28 Cubs on role, we have a short waiting list which will probably be cleared after half term when some of our Cubs go up to Scouts – the reason for the 2 vacancies is that we need them for Beavers who are due to join us soon. We also have 3 young leaders who are doing their Duke of Edinburgh service with us.

We have had a varied programme this past year covering a variety of activities and areas of badge work, including a visit from one of our PCSO's, hikes, recycling, science and bridge building (in a variety of different scales).

The Cubs have raised over £250 for Children with Leukaemia by taking part in a Cheeky Monkey Marathon Challenge. They also took part in the BT Giant Sleepover (during the Centenary Camp), which raised money for Save the Children.

They have taken part in several District events including, St. George's Day, the football tournament, the swimming gala and as day visitors to the District camp. We would like to take part in many more District events, but need your support and enthusiasm to do so.

The main event of last year was our Centenary Family Camp, which was a great success and enjoyed by about 90 campers and visitors.

As a Group we have also been collecting Sainsbury's Active Kids vouchers again this year and now have more tag rugby belts which are great for a variety of games, bean bags, markers, hoops, storage bags and equipment for the kitchen, thanks to everyone who sent in their vouchers.

My thanks also go to Ian, Bernie, Alison and Sarah for their help in running our pack, it could not happen without them.

Julie Madden (Akela)
