

# Cub Report 2011

- This year saw us rehearsing busily for our New Year's panto – 'Lofty's Quest', unfortunately what with one thing and another, ie. snow, sickness and holidays, it didn't happen until late February. But they put on a great performance and the audience thought they were brilliant.
- Then in March the Group held a Red Nose Pinewood Rally, turns out it's not just Cubs that enjoy making and racing little wooden cars, as 60 people from 6 to 60ish turned up.

- We had a successful time at the District Cub quiz, coming in 2<sup>nd</sup> and qualifying for the County event, the Cubs who took part had a great time competing against packs from all over Kent.
- Following great efforts in achieving their Fitness Challenge badge, a group came along to Hartfield to take part in a fun run/walk through some very pretty countryside, they were very proud of their finishing medals.
- We made scarecrows for the Edenbridge Festival, they were interesting - note, must use more stuffing for next year!

- We had a visit from the BBC reporter, Tom Hagler who tried to make world class journalist out of the Cubs, so keep your eyes open, in the future you might recognise some of the names mentioned at the end of news reports.
- A group of Beavers, Cubs and Scouts had a wonderful time sailing at Aquasports, we might try it again some time.
- We capped the year off with Family Camp at Halls Green, despite some rain we had a terrific time.

- Our numbers have stayed fairly stable this year at about 26-30, we have swung several Cubs up to Scouts and have had numerous Beavers swimming up to us, along with a few new to Scouting.
- Our leader group is also doing well, with Will our ex young leader joining us as a fully fledged and enthusiastic assistant leader, congratulations, welcome and thanks Will. Thanks also to Ian, Bernie, Sarah and Alison for their support over the year, and especially this term when I have been taking things easy!
